

The Oreadi collection is delicate and precious, like nymphs, a tribute to mythology that is also in the name. This line of lamps encloses different shapes and diameters, some with a vertical setting in satin brass and a diffuser, in marble or stone; to personalize the product the client can choose between a color selection of marbles and stones especially selected for this series, other than the finishing look of the metals elements. The strong artistic personality of this collection are destined to enrich every environments, making them surprising and sophisticated.
